PERSONAL PROFILE

I am someone passionate about creativity and always seeking opportunities to challenge myself, learn, and grow. I am always willing to diligently and wholeheartedly learn to master the necessary knowledge and skills. I believe that my perseverance and enthusiasm will help me overcome any challenges and positively contribute to the work and colleagues. My determination and passion are what I hope can bring value to the work environment.

WORK EXPERIENCE

I completed a 3-month intership Frontend Developer at ADSUN JSC, where I actively participated in a real-world project using TypeScript and ReactJS. This experience allowed me to apply my skills in a professional setting, collaborate with the development team, and gain hands-on experience in building modern web applications.
